Deputy for National Intelligence

MEMORANDUM FOR: Director of Central Intelligence

FROM : Robert R. Bowie
Deputy to the DCI for National Intelligence

SUBJECT : Intelligence Priorities

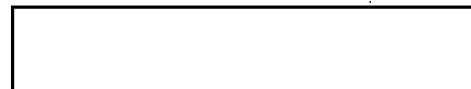

1. At its meeting before Christmas, the Policy Review Committee (Intelligence) discussed two suggested lists designed to establish priorities for estimates and analyses of the Intelligence Community.

(a) National Intelligence Topics of Current Interest; and

(b) National Intelligence Topics of Basic Long-Term Interest.

2. On the basis of the PRC discussion, the two lists have been revised and are attached. As suggested at the meeting, suggested priorities have also been assigned for the topics on both lists. The proposed priorities for the list of Current Topics has been reviewed by the DCI. The priorities assigned on the list of Long-Term Topics were derived from those set forth in DCID 1/2 with some changes to reflect updating.

3. It is assumed that the PRC(I) will wish to discuss these revised priorities at an early meeting.
